A SAD LIFE

• Expectation

Something about myself, don't laugh.

Inception

Basically, almost all of my childhood (or even the life I've lead till now) has been a total blank, to strive forward without knowing what we are supposed to chase after, to work hard not knowing its consequences, to masquerade amongst and with others to hide your true self, blend in, be a part of society, be upto people's expectations, be obedient, be whatever the hell they want....was not for me. I choose to ruin my life the otherway, get addicted...get addicted to something like a video game, game called dota. I started playing that competitive moba in my 7th grade and each and every moment after that have been completely blank, fast forward to recent date, i find my self failing, self loathing and in a pit of misery. But the fact that I know and I acknowledge it is a progress itself. I've left gaming for competitive purpose and now I look forward to a reason good enough for the justification of me leaving my sole addiction, meaning of life.

Web Technology Assignment

What is Lorem Ipsum?

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

Where does it come from?

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered the undoubtable source. Lorem Ipsum comes from sections 1.10.32 and 1.10.33 of "de Finibus Bonorum et Malorum" (The Extremes of Good and Evil) by Cicero, written in 45 BC. This book is a treatise on the theory of ethics, very popular during the Renaissance. The first line of Lorem Ipsum, "Lorem ipsum dolor sit amet..", comes from a line in section 1.10.32.
